# SMITHBURG.

## MARKET FRESH

Everything in our burgers is fresh and minimally processed. From our free range beef and chicken, to our house-made mushroom patties and fresh sliced cauliflower. The big chains can keep their processed food — fresh is best at Smithburg.

## GLUTEN FRIENDLY

Almost everything can be made Gluten Friendly at Smithburg except our fried chicken - just ask. Please note that it is possible for all food to contact gluten during the cooking process.

## FREE RANGE

Free Range is the highest animal welfare standard available for beef, chicken and eggs, so that's all we use at Smithburg.

## PLANT-BASED OPTIONS

We believe our plant-based options are the best you will find anywhere. We use ingredients fresh from market rather than imported, processed and frozen mock-meat. At Smithburg, we have you covered!
